NSA response regarding the consultation on the review of the market abuse directive

The Nordic Securities Association (NSA) represents the common interests of Member firms in the Nordic securities dealers associations towards external stakeholders primarily in the Nordic market but also on European and international issues of common interest. Members of the NSA are the Danish Securities Dealers Association, the Finnish Federation of Financial Services, the Norwegian Securities Dealers Association and the Swedish Securities Dealers Association.

The NSA welcomes the opportunity to comment on the Commission's consultation paper on the review of the market abuse directive.

The NSA supports the response from the European Banking Federation.
